

# PECC NEWS UPDATE

## We Want to Feature You!

Serving as a PECC for your agency we acknowledge the impact you have on your agency and community. We want to recognize you on our website! Please send in a picture of yourself or your agency to [pecc@sthcs.org](mailto:pecc@sthcs.org)!

## Upcoming Educational Opportunities!

### EMS Pediatric Trauma Resuscitation Seminar in Mastic, NY - June 20, 2019

The Stony Brook Medicine Pediatric Trauma Center and the Mastic Ambulance Company are hosting a 2-hour continuing education program. The seminar is free of cost and focuses on preparation for pediatric trauma, CDC guidelines and pediatric-specific protocols, pediatric patient assessment, and review of actual pediatric trauma cases. To register or for information, visit [nyspecc.org/education](http://nyspecc.org/education).

### Pediatric Emergency Care Symposium in Bennington, VT - June 21, 2019

Bennington Rescue Squad is hosting a symposium for emergency nursing & EMS professionals. This course provides 7 hours of education and course completion certificate will be issued to all attendees. The cost is \$75 with lunch included. To register or for information, visit [nyspecc.org/education](http://nyspecc.org/education).

### Child Passenger Safety (CPS) Technician Renewal in Olean, NY - June 21, 2019

Ardent Solutions is partnering with Southern Tier Health Care System to present a recertification course for current CPS technicians. This course will offer six hours of CPS technical continuing education units (CEUs) upon completion. To register or for information on becoming a CPS technician, visit [nyspecc.org/education](http://nyspecc.org/education).

### Pediatric Emergency Assessment, Recognition & Stabilization (PEARS) class in Warsaw, NY - June 25, 2019

Finger Lakes Regional Training Center is hosting a PEARs course. The PEARs course is set up for healthcare providers who infrequently see critically ill children and any healthcare provider who might encounter pediatric patients. The course is free of cost and is eligible for continuing education credits. However, class size is limited to 6 people. To register or for information, visit [nyspecc.org/education](http://nyspecc.org/education).
