

# National Pediatric Disaster Coalition

*Are you working on disaster preparedness activities for infants, children and pregnant women and don't know where to start?*

**Check out our website:**

**<http://www.npdcoalition.org>**

*Do you have pediatric/neonatal/perinatal expertise in disaster or emergency care and interested in improving community and medical health response and management for children and their families?*

***Experienced or Not... Join Us!***

*The only requirement is an interest in pediatric/neonatal/perinatal preparedness.*

*The coalition provides subject matter expertise to help local efforts.*
