

# APRIL 2021 PECC NEWS UPDATE

## PECC SPOTLIGHT!

In April, Wilton EMS, Town of Guilderland EMS and Albany Medical Center held a NAEMT Emergency Vehicle Operators Safety class.

While the driving portion was taking place information on the Effectiveness of Pediatric Resuscitation in a moving ambulance using peds restraint devices was discussed. They also had their local Assembly Woman stopped by!

Great job to Jamie J. Barton, PECC for Wilton EMS for making sure pediatrics was incorporated into this training opportunity!

**Vital Signs  
EMS Academy**

A Program of the New York State Department of Health

*New York State Department of Health Bureau of EMS and Trauma Systems hosts several webinars throughout the week. For more information and the schedule, please visit [VitalSignsAcademy.com](http://VitalSignsAcademy.com). Webinars are posted to the state's LMS for those who are not able to attend the live sessions! The following are the upcoming pediatric related webinars.*

**May 11 - Pediatric Resuscitation**

**May 25 - ACE'S and Pediatrics**

## **Child Passenger Safety Technicians**

CPS technicians and instructors use their considerable knowledge and expertise at a variety of community-based activities, such as child safety seat checks, where parents and caregivers receive education and hands-on assistance.

There are several certified CPSTs in NYS. To find one near you, [click here](#). Due to the pandemic, courses are limited to become a CPST. Courses are regularly being planned. [Click here](#) to see what courses are in your area.
