

NOVEMBER PECC NEWS UPDATE

Child Passenger Safety Technicians

CPS technicians and instructors use their considerable knowledge and expertise at a variety of community-based activities, such as child safety seat checks, where parents and caregivers receive education and hands-on assistance. CPS technicians and instructors also keep up-to-date on the latest technical information about child passenger safety through seminars and other continuing education opportunities.

There are several certified CPSTs in NYS. To find one near you, [click here](#). Due to the pandemic, courses are limited to become a CPST. Courses are being planned for 2021. [See what courses are in your area](#), courses are added regularly.

The **2020 Healthcare Coalition Emergency Management Webinar Series: WRHEPC Pediatric Emergency Preparedness Seminars** continues on various topics. There are two more sessions in this series: Nov. 10 and 24, 2020. To register to attend, [click here](#).

Congratulations to the New PECCs!
